Feature Spotlight :Parent Portal

iCare's Parent Portal lets parents

- participate in record keeping
- make electronic payments
- communicate with teachers

See how effective it can be in reducing *your* workload. Call or click below for a free demo.

	<i>Self-registration</i>	Parents register their families and maintain their enrollment records ...
	<i>Program participation</i>	Parents choose programs for their children and select their desired schedules ...
	<i>Children's calendar</i>	Parents view their children's activities and schedules ...
	<i>Online payments</i>	Parents can review their account balance, charges and credits, then pay online or setup automated payment schedules Parents view their children's activities and schedules ...
	<i>Child notes, teacher's communication</i>	Parents review notes and converse with teachers and administrators at their convenience and in the privacy of their homes. Messaging content may be children's daily activities, development milestones, medical reminders, or family account issues, to name just a few ...
